Do in Transportation.

That the war did in a few rears what it would otherwise have required many years to bring "oribly and Los Angeles, and return through San Francisco on Defore the people in proving what a set of fires that has already detrucks really are enpuble of doing, is

trucks really are expuble of doing, is
the opinion of Sam Watkins, Packard
distributor.

Notor trucks are a necessity to the
successful operation of any business,"
says Mr. Watkins. "This is true both
in the city and the country. They
are a necessity to the operation of a
farm. The road building program for
1815 is so commanding in its every
aspect that with completion of only
a portion of the work cutlined the
demand for trucks will grow enormounty. Men who have fostered the
motor truck industry in the past have
been optimism. Their most optimistic
predictions are coming true, and more
than true.

The war did much to aid in the
advertising of the motor truck business. The motor truck was broughts
in the alteracy milesage. That such

Has Largest Registered Number of Motor Trucks and Pleasure Cars.

Ohlo now has first place for being the size to have the largest number of registered motor trucks and pleas-ure cars. Up to July 1 last the fig-

ure care. Up to July 1 last the figures show that it has supplanted New York for first honors.

According to a careful check made by Automotive industries, the number of motor vahides registered in all the states was 5,25,232 on July 1. This is an increase of 6,35 percent for the first half of the year. All duplicate registrations were deducted, and this is the actual number of machines which have Henness.

Following is a list of the registra-ions in the various states, up to the inte mentioned:
